2018 Premium Increases and a Legacy of Uncertainty

PATRICK HEFFLINGER | NOVEMBER 1, 2017

Today the American Action Forum (@AAF) released new insight on 2018 premium increases. See excerpt below:

“The large premium increases set for 2018 are a continuation of the problems that have plagued ACA Marketplace since its inception, and that have been exacerbated by the uncertainty of the last year. It is important to remember, however, that the 2018 premium increases are far from the only problem.”
