AAF: Trump on Track to Meet Deregulatory Goal

PATRICK HEFFLINGER | SEPTEMBER 20, 2017

The American Action Forum (@AAF) released new research examining President Trump's deregulatory push. The research finds that the administration is on track to meet the president's goal of $0 in net regulatory costs since assuming office. Furthermore, the administration is expected to end FY 2017 with an annual net regulatory savings of $645 million under President Trump's one-in, two-out regulatory executive order.
