Press Release

COVID-19: Impact and Response — AAF Analyzes the Final Version of the CARES Act

ANDREW EVANS | MARCH 26, 2020

Both the impact of the COVID-19 pandemic and the government’s various responses to it are moving quickly. AAF is following the latest developments and providing up-to-date analysis of the government’s proposals and actions, including of the CARES Act that the Senate passed last night. COVID-19: Impact and Response provides an organized dashboard for all of AAF’s insight and analysis on the pandemic.

The latest analysis of the final version of the CARES Act:

- Regulatory Provisions in the Phase 3 Stimulus Package – UPDATED
- Enhanced Unemployment Benefits in the Coronavirus Aid, Relief, and Economic Security (CARES) Act – FINAL VERSION

More analysis of the pandemic and the government’s response:

- Understanding Dislocated Worker Grants
- How Technology Policy Enables COVID-19 Responses
