ICYMI: How to Grow the Economy in 2018

PATRICK HEFFLINGER | FEBRUARY 7, 2018

In today's *The Hill,* AAF President Douglas Holtz-Eakin writes on what it will take to grow the economy in 2018. See excerpt below:

"The U.S. economy has grown since 2009 largely by putting back to work those harmed by the Great Recession. With unemployment hovering near 4 percent, there is little opportunity to continue to do so. Instead, the economy will need to grow by making every worker more productive and capable of earning greater wages. This is the task for 2018 and beyond."
