What's Driving The Rise In College Tuition?

APRIL 12, 2016
10:00 AM

The American Action Forum will host an event to examine the impact of federal financial aid on college tuition. A recent study found that colleges and universities raised tuition due to increases in federal aid. The event entitled What's Driving The Rise In College Tuition? will also examine alternatives that may deter colleges and universities from raising tuitions based on federal aid.

Keynote

Representative Virginia Foxx
