The Obama Administration Issued \$157 Billion in Midnight Regulations

JANUARY 24, 2017

Today the American Action Forum (@AAF) released an infographic detailing the amount of midnight regulations issued by Obama Administration. The infographic explains that the Obama Administration issued \$157 billion worth of midnight regulations and in the month of December alone they issued a total of 99 regulations.

GOING OUT WITH A BANG

The final days of the Obama Administration concluded in an incredible display of regulatory output. Despite efforts to, "avoid midnight regulations," (rules published after Election Day through Inauguration Day) the administration set records for December regulatory output.
