8 Things You Could Accomplish In 2,349 Days

FEBRUARY 24, 2015

President Obama just vetoed legislation approving Keystone XL. Now the administration continues to drag its feet on approving the pipeline, which has now been pending for over 2,349 days. What could you accomplish in 2,349 days?

1. Become an expert welder. After 2,349 days you'll definitely have the 10,000 hours under your belt, but may end up as one of the over 40,000 waiting on a Keystone XL construction job.
