Georgia: Policy Priorities and the Election

SEPTEMBER 22, 2020

Methodology

On August 30 – September 2, 2020, Opinion Insight LLC conducted a survey of likely general election voters in Georgia for the American Action Forum. The survey was conducted by live professional interviewers by telephone. The sample size was 800, with a margin of error of +/- 3.46%. Interviews were geographically distributed to reflect actual voter distribution in Georgia general elections.
