Michigan: Policy Priorities and the Election – October Update

OCTOBER 22, 2020

Methodology

On October 3 – 6, 2020, Opinion Insight LLC conducted a survey of likely general election voters in Iowa for the American Action Forum. The survey was conducted by live professional interviewers by telephone. The sample size was 800, with a margin of error of +/- 3.46%. Interviews were geographically distributed to reflect actual voter distribution in Michigan general elections.
