AAF Analysis On How Brexit Could Impact Tech Policy

PATRICK HEFFLINGER | JULY 26, 2016

The American Action Forum (@AAF) today released an analysis examining how the United Kingdom's exit from the European Union could impact digital trade, antitrust and technology policy. With the UK's exit, U.S. tech companies can expect to see increased scrutiny from the EU's regulatory bodies. The UK had been viewed as a moderating voice in the EU, typically advocating for pro-innovation technology policies.
