AAF Analysis Finds Medicare Part B Premiums Will Increase For 25 Percent of Enrollees

SEPTEMBER 24, 2015

The American Action Forum (@AAF) released a new analysis of the 2016 Medicare Part B premium increases. The analysis finds that the Hold Harmless provision protects 75 percent of Part B beneficiaries from any premium increases. The other 25 percent of beneficiaries will see their monthly premiums increase from \$104.90 to \$159.30, a 52 percent spike.
