AAF Finds ACA Regulations Cost Small Business Employees \$19 Billion In Lost Wages Each Year

JANUARY 18, 2017

The American Action Forum (@AAF) today released research showing that regulations from the Affordable Care Act (ACA) are costing small business employees at least \$19 billion each year in lost wages. The research also finds that ACA regulations have cost 295,030 jobs and 10,130 small business establishments.
