AAF: Trump Administration Achieved \$560 Million in Annual Regulatory Cost Savings in FY 2017

PATRICK HEFFLINGER | OCTOBER 3, 2017

The American Action Forum (@AAF) released a final review for the first phase of President Trump's Executive Order 13,771 which established a "one-in, two-out" regulatory program. The review found that in the first year the Trump Administration achieved its goal of \$0 in net regulatory costs and ended Fiscal Year 2017 with more than \$560 million in overall net annual regulatory savings.
