EVENT ADVISORY: What Would Pro-Growth Tax Reform Look Like?

JULY 7, 2011

What: There is a growing consensus in Washington that now is the time for comprehensive corporate tax reform. Such reform, if enacted, could easily be the most important economic policy decision Washington makes over the course of the next few years and its effects would likely have long term and important implications for the future health of U.S. economy.

Please join the American Action Forum and ITIF for a discussion of how corporate tax reform can help drive U.S. economic growth. At the event both AAF and ITIF will be releasing new reports on the issue. Breakfast refreshments will be served.

Where:

B340 Rayburn House Office Building

When:

Tuesday, July 19th, 8:30am—9:45am

Featured Speakers

Rob Atkinson

President, ITIF

Ike Brannon

Director of Economic Policy, American Action Forum

Robin Beran

Director – Global Tax & Trade, Caterpillar Inc.
