Highlights of the CBO Budget and Economic Outlook

ALLISON EDWARDS | JULY 2, 2020

AAF's Director of Fiscal Policy Gordon Gray breaks down the key points of the Congressional Budget Office's newly released *Update to the Budget and Economic Outlook: 2020-2030*.

Gray notes: "Today's report suggests that despite recent improvements relative to historic shocks, the economy remains severely impaired, and it will require years and sound policy to weather it."
