# Housing Chartbook Q2 2022

PAULINA ENCK | SEPTEMBER 12, 2022

As the Fed continues to raise interest rates to combat inflation, housing prices have been dropping and are expected to continue to do so as the formerly hot housing market chills. AAF's Director of Financial Services Policy Thomas Wade provides an up-to-date survey of mortgage rates and originations, housing permits and starts, construction, vacancies, and prices.
