New AAF Study Finds 28 ACA Regulations Awaiting White House Approval

Including the Individual Mandate Tax

Washington – The American Action Forum (@AAF) today released a study which found that the White House is still reviewing several new Affordable Care Act (ACA) regulations, including the Individual Mandate Tax. In total, these 28 new ACA regulations will cost more than \$1.4 billion annually and total more than 45.7 million burden hours. Other findings from the study include:

- The Individual Mandate Tax would impose more than 7.5 million paperwork burden hours on American taxpayers.
- The Individual Mandate Tax is five months overdue.
