New Podcast Episode: Assessing Policy Responses to COVID-19

ALLISON EDWARDS | JUNE 11, 2020

It's The AAF Exchange — your source for clear, data-driven insight into today's economic and domestic policy issues.

Our latest episode features AAF President Douglas Holtz-Eakin discussing how the surge in COVID-19 cases could affect state policies, consumers' willingness to re-engage with businesses, and individuals' willingness to return to work. He also notes how policymakers should shift to strategies that allow us to work and live in the presence of the virus, as well as explains the energy market's relationship to the broader economic recovery.

Make sure to follow AAF's dashboard, [COVID-19: Impact and Response](#), where you can find AAF experts' up-to-date analysis of the government's proposals and actions on the pandemic.

Whether you're working from home or taking a walk, The AAF Exchange will keep you up to speed on today's most pressing policy issues.
