New Podcast Episode: Examining the American Rescue Plan, the PRO Act, and the CLEAN Future Act

ALLISON EDWARDS | MARCH 11, 2021

It's The AAF Exchange — your source for clear, data-driven insight into today's economic and domestic policy issues.

In our latest episode, AAF President Douglas Holtz-Eakin considers the longer-term impact of the COVID-19 “stimulus” package and examines the upcoming labor and energy policy debates. Holtz-Eakin explains the package's impact on the fiscal outlook, the bailout for multiemployer pensions, and the implications for future policymaking. He also considers how the PRO Act would affect workers, small businesses, and economic growth and whether the CLEAN Future Act is good economic policy to address climate change.

Holtz-Eakin and AAF's Director of Fiscal Policy Gordon Gray discuss the American Rescue Plan package in recent TV interviews:
