New Podcast Episode: Funding the Federal Government

ALLISON EDWARDS | OCTOBER 30, 2019

It's *The AAF Exchange* — your source for clear, data-driven insight into today's economic and domestic policy issues.

Our latest episode features AAF's Director of Fiscal Policy Gordon Gray discussing the debate over funding the federal government and the likelihood of a government shutdown. Gray walks listeners through the appropriations process and explains what happens during a shutdown (read his paper on the law governing a shutdown [here](#)). As a bonus, he shares his current favorite dish to cook!

Future episodes will answer other timely policy questions, including:

- Will developments in artificial intelligence destroy millions of jobs?
- How can the United States build a pro-growth legal immigration system?
- What would breaking up big tech look like and what would it mean for consumers?
- What's driving the popularity of "Medicare for All"?

Whether you're on your lunch break or commuting home, *The AAF Exchange* will keep you up to speed on today's most pressing policy issues.
