New Podcast Episode: Medicare for All

ALLISON EDWARDS | NOVEMBER 13, 2019

It's *The AAF Exchange* — your source for clear, data-driven insight into today's economic and domestic policy issues.

Our latest episode features AAF's Director of Health Care Policy Christopher Holt discussing Medicare for All. Holt discusses the reasons for the idea's ascendance, assesses its popularity, and analyzes its policy assumptions as well as the implications of a hypothetical implementation. As a bonus, he unpacks the intricate calculations involved in Senator Elizabeth Warren's Medicare for All calculator.

Holt [wrote last week](#) on the popularity of Medicare for All in his weekly health care policy newsletter, the Weekly Checkup. You can subscribe to the Weekly Checkup [here](#).

Future episodes will answer other timely policy questions, including:

- Will developments in artificial intelligence destroy millions of jobs?
- How can the United States build a pro-growth legal immigration system?
- What would breaking up big tech look like and what would it mean for consumers?

Whether you're on your lunch break or commuting home, *The AAF Exchange* will keep you up to speed on today's most pressing policy issues.
