New Podcast Episode: The Economic Impact of the Coronavirus Pandemic

ALLISON EDWARDS | MARCH 26, 2020

It's *The AAF Exchange* — your source for clear, data-driven insight into today's economic and domestic policy issues.

Our latest episode features AAF President Douglas Holtz-Eakin discussing the economic impact of the coronavirus pandemic and the federal government's response. Holtz-Eakin compares this pandemic to other crises, such as 9/11 and the 2008 financial crisis, and he gives his take on the good and the bad on the federal government's legislative response. He also explains AAF's new tracker, *COVID-19: Impact and Response*, where AAF experts are following the latest developments and providing up-to-date analyses of the government's proposals and actions.

Future episodes will address other timely policy questions, including:

- What is the state of play on climate-change policy?
- What are the fiscal and economic implications of the presidential candidates' key policy proposals?
- What is the current state of trade policy, and what are the areas to watch in 2020?

Whether you're on your lunch break or commuting home, *The AAF Exchange* will keep you up to speed on today's most pressing policy issues.
