Regulation and Deregulation: How Do They Work?

PATRICK HEFFLINGER | MAY 15, 2018

How are regulations made? And...how do you get rid of them? A new AAF video explains the federal regulatory process in less than 3 minutes. Next, an infographic explains how the government de-regulates in four simple steps. AAF's Director of Regulatory Policy Dan Bosch and Senior Regulatory Policy Analyst Dan Goldbeck tell you everything you always wanted to know about the regulatory process.
