

Press Release

The 340B Drug Discount Program: NY State Changes & Recent Litigation Expose Core Design Problems

PAULINA ENCK | MAY 8, 2023

The 340B Drug Discount Program has long suffered from a lack of congressional clarity on the intent of the ever-expanding program. In a new insight, Director of Health Care Policy Laura Hobbs reviews recent developments in litigation and state policy actions and what they will mean for 340B going forward.

Hobbs concludes:

The 340B Drug Discount Program has long suffered from a lack of congressional clarity on the intent of the ever-expanding program.
