AAF's Balanced: 2028

GORDON GRAY, DOUGLAS HOLTZ-EAKIN | MAY 19, 2015

As part of the Peterson Foundation's Solution Initiative, the American Action Forum developed a "scoreable" policy proposal to set the federal budget on a sustainable, long-term path. The AAF solution, "Balanced: 2028", focuses on three key policy areas: tax reform, entitlement reform, and immigration reform, while reforming every major area of federal spending.

View and download the documents below to learn more about the proposal.
