6 Ways To Make College More Affordable

SEPTEMBER 11, 2014

According to the U.S. Department of Education nearly 13.5 million full time and 8.5 million part time students will enroll in American colleges and universities this fall. The numbers represent a slight decrease in overall postsecondary enrollment for the second straight year. One reason for the trend of declining enrollment is the skyrocketing cost of tuition and fees. The American Action Forum (AAF) wants to give college students a few suggestions for trimming the cost of a college education.
