HIGHER COSTS, UNCERTAIN BENEFITS

The **Dodd-Frank Act** was passed six years ago and has had ramifications beyond Wall Street.

**THE LAW HAS NOW IMPOSED:**

**\$36 BILLION  
IN REGULATORY COSTS**

To put that figure into perspective,

**THE COST TO AMERICANS IS  
APPROXIMATELY:**

**\$310**  
PER HOUSEHOLD

**\$112**  
PER AMERICAN
