

# THE FIRST *six* MONTHS

Now that the Trump Administration has been in power for half of a year, it's worth reflecting upon the progress made on regulatory promises. **The results are substantial: new regulatory burdens are a fraction of those established under President Obama's first six months.**

Regulatory records of Presidents Obama and Trump in their first **six months**

COLOR KEY

■ OBAMA ■ TRUMP

Both the volume and impact of new regulatory burdens have slowed dramatically. Beyond these first six months, the administration's ambition is clearly to go even farther and deeper. Only time will tell when and how it gets there.
